I beg to acknowledge receipt of your letter of the 17th ultimo, ref.21,41[illegible], relating to Lot 12, Lobstick settlement, and to say it is observed from the Dominion Land Surveyor's report that the widow of Joseph Powell has married one Thos. It would be desirable to ascertain definitely whether the late Joseph Powell left any legal representative other than his widow and what residence he performed prior to his death, in order that it may be decided what disposition is to be made of this lot.

Mr. Cote,

Lac la Biche Settlement.
Lot 71-- 168 acres.

The Commissioners appointed in 1906, to investigate the claims at Lac la Biche Settlement, recommended that the above lot be given to Alexandre Ouintal, as a free grant, on the grounds that the said Alexandre Ouintal purchased the lot in question from Baptiste Ouintal, now deceased, and that the said Baptiste Ouintal was a squatter on the said lot prior to 1870, according to the evidence submitted to them.

The Agent of Dominion Lands, in order, as he states, that the matter might be dealt with in case a free grant was not allowed, granted a homestead entry to Mr. Ouintal, and the homestead fee was made a charge against the lot, and application for patent was taken.

The fee has not as yet been as paid, and the application for patent has not been received here, and Mr. Ouintal is applying for the patent.

As the Commissioners recommended that a free grant be made in this case, I think that homestead entry should be cancelled and a patent issued to Mr. Ouintal, as a free grant for as many acres as the lot contains, namely 168 acres.

OTTAWA - Ill

Memorandum:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: G. W. Ball,
N.E.¼ 36-39-4 W.5th - Hsd.

The above described land was secured by this settler under homestead entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in August, 1919, and in due course secured advances from the Board amounting to $6,494.05, as follows: land purchase, $3,780; stock and equipment, $2,205.06; special advances, $508.99. As security the Board holds a charge on the settler's homestead. The only other land security in this case is title to the S.½ of 6-40-3 W.5th purchased for the settler.

S½ - paid 16-11-10.
SW¼ - paid 25-6-17

In November 1921, the settler requested that we forward him a Quit Claim Deed as he was compelled to give up farming on account of ill health. This request was supported by a Medical Certificate. The settler's agreement was rescinded pursuant to a Quit Claim Deed executed by him on the 11th November of that year.

The Settler's indebtedness amounts to $8,274.73. Every effort has been made to dispose of the half section purchased for the settler, but to date the Board has been unable to interest anyone in this land except one party who offered $1,500 for the three quarters, this offer was declined. The present value of S.½ 6-40-3-W5th is $1,355. The appraised value of the homestead quarter is $195. No arrangements have been made for the disposal of this land and no offers have been received except the one referred to.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Act, as $2,714.05 of the advances referred to in the second paragraph hereof were made to the settler subsequent to his entry for his homestead.

A Vesting Order for signature is attached hereto.

Deputy Minister of the Interior,
OTTAWA

Chairman.

In a list of Extra Judicial Seizures received from the Sheriff at Medicine Hat on September last there was noted that the seizure of John Weiss on the S.W. ¼ of the above section had been made and the Sheriff was advised of the prior claim of this Department by reason of Harvey Harrison Bratter's 1915 Seed Grain Indebtedness amounting to $537.14 with interest as at the 31st March last. No further word has been received from the Sheriff in connection therewith and I am now forwarding Homestead Inspector McCowan's report recommending immediate seizure of the crop in this case. No extension of time has been granted.

In connection with the S.W.¼ of this section Mr. Clarence H. Bratter is indebted for Seed Grain etc., in the sum of $745.60 with interest as at 31st March last and it would appear that this quarter-section has been sold under agreement of Sale from Mr. Bratter to Mr. John Weiss No extension of time has been granted in this connection.

Clarence E. Bratton negotiated a settlement of the Provincial Seed Grain and Joint Relief Advances in 1928 on the basis of payment of Seven hundred and twenty-five dollars ($725.00) which was received on July 24,1929. That individual had found it necessary to leave the district of a result of series of crop failures and had been successful in disposing of the S.W. 34-9-6-W.4th, the payment on account being made from monies received for the land. It was not desired to issue a Board Order at that time pending settlement of the Crown advances obtained by the same individual.

Negotiations were then carried on in respect of the Federal Advances obtained by Clarence E. Bratton who in 1930 advised that he had sold the S.W. 34-9-6-W.4th on a crop payment plan for Twelve dollars ($12.00) per acre from which he had paid a mortgage on a compromised basis as well as the Seven hundred and twenty-five dollars ($725.00) referred to above. There was a further Six hundred dollars ($600.00) owing on the quarter and he offered a further payment of Three hundred dollars ($300.00) to clear the Dominion advances and it was agreed to recommend acceptance of this offer. Clarence E. Bratton subsequently

Cont'd

disappeared and it devolved on the purchaser to settle the Dominion liens.

The purchaser made various payments on the settlement just referred to and completed payment in 1945 at which time it was discovered that he had also purchased the S.W. 24-9-6-W.4th. which formerly stood in the name of H. H. Stratton, the father of the above individual, subject to the Crown liens referred to above. The issuance of a Board Order was again withheld pending a total settlement of all accounts.

The situation now is that the purchaser of these two quarters has completed payment of the purchase price but is unable to contact the original owners, their whereabouts being unknown. The purchaser can obtain title through Court Action provided that he can produce the original agreements for sale and prove full payment has been made but he will incurr further expense in so doing.

The purchaser has tendered a further one hundred dollars ($100.00) making a total of four hundred dollars ($400.00) for a release of the Crown liens given by Clarence A. and Harvey H. Stratton.

In view of the difficulties now facing the purchaser it is my recommendation that the offer be accepted and that the previous settlement in respect of Provincial and Joint Relief Advances be confirmed, the remaining balances of all accounts being written off and the liens discharged.

Yours very truly,

High River, Alta., Apr. 19, 1906.

To the Secretary,
Department of the Interior,
Ottawa.

Dear Sir:

I beg to advise you that On November 27, 1905, I made homestead entry on the South West 1-4 section 24-18-2, w. 4. I made this entry in Calgary and received receipt #14240 and the written number 15507. On the 17th day of April, 1906, I filed an abandonment of this homestead in the favor of one James Argue Gibson, who is a relative of mine, and who I desire to have secure this homestead.

I filed this abandonment in the Calgary office and they informed me the matter would be referred to you, and that you would advise me whether or not this abandonment would be accepted. I am writing you these facts as I wish you to understand fully, and I wish you to give Mr. Gibson the privilege of entering on homestead at the earliest possible moment, as he wishes to commence work on same, but cannot do so until authorized to do so by you. I wish you would kindly take this matter up at your earliest convenience.

I might further add that in case you do not give this homestead to Mr. Gibson that I would like to have the privilege of beginning work on this homestead myself.
